PCAOB Rule 3526, *Communication with Audit Committees Concerning Independence*, requires that, prior to accepting an engagement to be your company's auditor, we disclose to you in writing all relationships between our firm and any affiliates and your company and its related entities or persons in financial reporting oversight roles at your company that may reasonably be thought to bear on independence.

The following is a description of such relationships as of April 16, 2026 of which we are aware that are relevant to the audits of the Company's financial statements as of December 31, 2024 and 2023 and the potential audit as of December 31, 2025.

We are not aware of any such relationships.

We confirm that we are independent of the Company in compliance with Rule 3520 and within the meaning of the federal securities laws administered by the Securities and Exchange Commission.

As further required by PCAOB Rule 3526, we will be pleased to discuss the potential effects of such relationships on our independence with respect to the Company at your convenience.

This letter is intended solely for use by you and other members of the Board of Directors in your consideration of our independence (should we be appointed as the Company's auditors) and should not be used for any other purpose.

Very truly yours,
